Celebration Donation

Celebration Donation is a program that allows donors to mark the milestones of their lives by making an impact on the life of a child or a family. Consider having your friends and loved ones bring donations in lieu of gifts for your birthday, anniversary, confirmation, or other celebration. The donations can even be used to adopt a specific wish to commemorate this special moment in your life.

This program also provides people who receive honorariums, monetary contributions for performances or proceeds from an event a philanthropic alternative to support the League by directing those funds to be donated to the League. For every donation received on your behalf, we will send a hand written, personalized letter from the President and CEO to each of the donors and provide a framed thank you letter from the Dayton Urban League for you to display at your event acknowledging your generous gift. If you are interested in learning more about this program, please contact Gaynelle Johnson at (937) 220 - 6654.

Tribute and Memorial Gifts

When you make a gift in memory or in honor of a special person, we will send out a card on your behalf. Please remember to provide us with the mailing address of the person you wish to notify when you make your gift. Another tribute gift option is to adopt a program in honor of a friend or family member.

The Legacy of Success Planned Giving Society

To ensure that your legacy lives on by helping us to provide self-sufficiency, employment and academic services for years to come, please consider making a planned gift to the League. There are a variety of planned giving vehicles to choose from: Bequest, wills, trusts, retirement plans, and life insurance policies , Personal property or real estate, Outright cash gifts, Gifts of stocks, bonds, and other securities

Be sure to consult a lawyer for advice on which giving option best fits your particular circumstances. Feel free to call us at (937) 220 - 6665 for more information about the Legacy of Success Planned Giving Society.

Stock, Bond, and Mutual Funds Contributions

If you make a gift of stock, bonds, mutual funds, or other securities, you can take a tax deduction for the average per share price of the securities on the date of transfer (rather than the price you paid for the securities), allowing you an even larger tax break if the securities have increased in value. Please contact us for more information or to arrange a transfer.

United Way/Combined Federal Campaign

Many employers have partnerships with the United Way. Check with your human resources department to see if you can have your United Way payroll deduction designated to the Dayton Urban League.
